*** MULLIGANS MAY NOT BE USED TO CLAIM INDIVIDUAL PRIZES ***

TOURNAMENT RULES OF PLAY

*** Scramble Format ***

HANDICAP:

Determine your Team Handicap by adding the handicaps together for your team and dividing by twice the number of golfers on the team. *(If you don't know your handicap, take the average score from your last two 18-hole plays and subtract 70.)* Register your Team Handicap at the Registration Desk.

SCRAMBLE FORMAT OF PLAY:

Each golfer on the team hits a drive.

The results of the drives are compared. The best ball is selected and marked and the other golfers on the team pick up their golf balls and move them to that location. Team captain has final say on placement.

The second strokes are played and the process repeats until the ball is holed for one team score. Move to the next hole.

Tees for men:

- Black for handicap 10 and under
- White for ages 62+
- Blue for all others

Tees for women: Red

When moving golf balls to the spot of the selected shot, the other golfers on the team can play from within one club-length of the original spot. But that one club-length cannot be closer to the hole and it can't improve the lie of the original ball. *(It can't move from rough to fairway or from fringe to putting green.)*

The team must select at least four drives from each of its members during the round - record on scorecard.

Mulligans may not be used to qualify for individual prizes.

Please repair divots and ball marks.

Have Fun & Good Luck!
