*For Local Business*

## 2019 SPONSORSHIP OPPORTUNITIES

**"Go for the Green in Support of Local Business" is the mission of the Ridgway Chamber Open. One hundred percent of net proceeds of the event, including sponsorships and donations, will be for the benefit of local business and youth apprenticeships.**

The Ridgway Chamber Open Golf Tournament proceeds have always been directed at supporting our business community. Last year, the funds raised by the tournament established the Ridgway Youth Apprenticeship Program. All profits from the 2019 tournament will again go to the Ridgway Youth Apprenticeship Program.

The Chamber recognizes that local business success is predicated on local talent. As a community, our first priority, talent pipeline should be our local students. To support our local businesses and better connect our youth with the business community, the Youth Apprenticeship Program provides additional dollars to both youth apprentices and chamber members who are local employers.

The scholarship amounts and the number of available apprenticeships are entirely determined by the proceeds from each year's Ridgway Chamber Open, so please come out and play, sponsor and support!

We thank you in advance for your support and partnership, which directly advance our business community, local economy, and youth development.

The Ridgway Area Chamber of Commerce is a 501(c)6 organization. All tournament cash sponsorships and in-kind donations may be tax deductible as a business advertising expense. Please consult a tax professional for specifics. RACC will provide receipts for all cash and in-kind donations for tax-deduction purposes.

*Thank you for your sponsorship!*
